Dear Krzysztof,

I would like to warmly welcome you to our network.

I am glad you have decided to join us and support us in driving forward WWP EN's mission – improving the safety of women and child victims of domestic violence by promoting effective work with perpetrators and fostering gender equality.

We currently have over 60 members from 32 different countries who seek exchange and support within our network to develop and improve their practice.

According to our members, one of the core benefits of membership in our network is sharing knowledge and receiving input from others. The resources the network provides are the result of the continuous effort to support one another as we jointly work towards overcoming the challenges that we encounter in our work on a day-to-day and longer-term basis.

The range of experience among our membership allows us – and you – to draw on a rich pool of expertise. We encourage you to embrace this opportunity and engage with our network and your fellow members.

We look forward to meeting you at our annual conference in August in Dublin, Ireland, where you can meet your fellow members.

We are glad you are now a part of us and look forward to a fruitful collaboration.

Yours sincerely,

Alessandra Pauncz, PhD
